

Class 6

23.01.26

The children in class 6 have had a fantastic week.

In Numeracy, the children have continued with their topic based on money. The class have been using one pence coins and ten pence coins to buy items from the newly created Class 6 shop. The children enjoyed the role play with some children purchasing items up to £2.

In Literacy, the children have continued with their new text, "The Iron Man" by Ted Hughes. The class have been using a range of adjectives to describe the character of Hogarth and they have used clay to model their own version of the Iron Man. The children really enjoyed making their Iron Man and they were very creative with their efforts.

In topic this week, the class have taken part in a science experiment. The children were studying friction. The class had to roll a car down a ramp that was covered in different materials. The children noted which cars went the furthest and talked about the different surfaces.

This week the class have been listening to "Open Very Carefully - A Book With Bite!" by Nicola O'Byrne. The children enjoyed the adventures of the crocodile eating the book.

Have a great weekend!
