February 2026

In Literacy this week we continued reading our text 'The Great Kapok Tree' we learnt about various persuasive techniques, on Friday the children took turns trying to 'sell' us all various odd items! It was really fun!

In topic this week we learnt about all the items that were invented due to the space mission - it was really interesting.

In Numeracy we have enjoyed learning more about Money and decimals! Each day we have had a fun shop, ice cream, sweets, hot chocolate and milkshake shop! The children have enjoyed 'spending' their money! On Friday we played some funny number games to celebrate NSPCC Number Day.

123

This week we enjoyed cooking traditional Hungarian soup with Harry's mum who is Hungarian! The children enjoyed peeling potatoes and carrots. Yum!

We enjoyed starting LEGO therapy this week, the children enjoyed working together and there was some lovely communication.
