

Class 6

13.02.26

The children in class 6 have had a fantastic week.

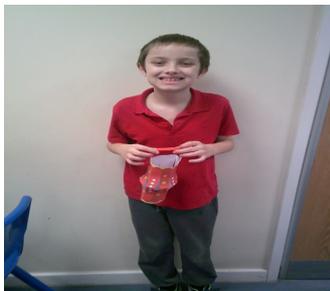

In Numeracy, the children have finished their topic based on money. The class have developed their understanding of money using a wide range of coins.

In Literacy, the children have been learning about Chinese New Year. They have listened to the story of the animals race and they have made their own Chinese lantern which they have taken home to celebrate.

As Lent falls in the half term holiday, the children had the opportunity to taste pancakes. The class could choose a number of toppings including, sugar, lemon juice or chocolate sauce. Some of the children enjoyed the pancakes but some children were not sure if they liked the taste.

This week the class have been listening to "The Pirate Next Door" by Jonny Doodle. The children enjoyed listening to the adventures of the pirate family when they moved into a residential street. Some of the children said that they would like to have a pirate family in their street.

All of the Class 6 team hope you have a very enjoyable half term holiday.

Have a great weekend!
