

We have had a lovely week in Class Nine and have been having lots of fun along the way.

In cooking, the children have been making banana and oat cookies. They followed instructions carefully, adding ingredients to the bowl when directed and showing great teamwork.

We have also continued with our story *The Tiny Seed* by Eric Carle. The children have been making thoughtful predictions about what might happen to the seed next, and they have been using their colourful semantics to build well-structured sentences.

In our Outdoor Learning and Topic sessions, we have begun creating a “Plants Around Haughton School” book. To start this project, the children explored the forest area and made bark rubbings of the different trees. They really enjoyed getting hands-on with nature and noticing the different textures.

After half term, we will be starting our swimming sessions on Wednesdays. Please ensure your child has their swimming clothes, a towel, and swimming nappies if needed.

Wishing you all a very Happy Half Term!

*Happy Half Term!*
