

Class 12!

In Literacy this week we have been looking at the story 'The Iron Man' by Ted Hughes. The children have been looking at key sentences from the text and diving into why Mother and Father would be feeling this certain way using their prior knowledge of Chapter 1 to help.

In Numeracy this week we have been looking at Place Value. Our groups have been looking at 'Understanding numbers to 20', 'Counting objects to 100 by making 10s' and 'Counting in 100s'. The children have done amazingly this week; we are so proud of them.

Class 12 have a new topic 'Lets plant it' This week we have been making our Knowledge Harvest on what we already know about plants and making our own plants with card and paper. The children have enjoyed these activities specifically designing their own flowers.

Class 12 have loved PE this week, they enjoyed spending time with Class 14 during dance and have been practicing our ball manipulation with our hands. We have been working on throwing to a partner with 1, 2 and no bounce and tried to recognise which was the hardest and why?

We hope you all have a lovely weekend and see you all on Monday 😊
