

Class 6

27.02.26

The children in class 6 have had a fantastic first week back after the holiday.

In Numeracy, the children have started a new topic based on multiplication. The children have been using LEGO bricks to support their learning.

In Literacy, the children have started a new text called 'Treasure Island.' The children made some interesting predictions what they think will happen in the story. The class have watched the first part of the story and they are in the process of making their own treasure island.

This week, the children have started a new topic called 'Let's Plant It.' The class have been planting some seeds for a Mother's Day treat.

This week the class have been listening to "When Mum Turned Into A Monster" by Joanna Harrison.. The children enjoyed listening to the story and looking at the pictures of when Mom turned green and grew a monster tail.

The children are very excited about their trip to 'The British Ironwork Centre' next Thursday . The class are looking forward to seeing if the metal structures that are as big as the Iron Man.

Have a great weekend!
