Story time

Class 2 News

This week we have been busy learning about food that comes from plants as part of our topic on Healthy Habits. In our literacy work we have used colourful semantics to build sentences linked to the story of Oliver's vegetables and in Storytime have enjoyed the story of Jack and the Beanstalk. As part of our topic work we have all planted some beans and are waiting for them to grow and created some beautiful flowers, listening carefully to the instructions..

In maths we have been using different kinds of maths equipment to help us develop the skill of counting on and we all had a go at using the Beebots to count on along a number track. Our PSHE work this week has been focused on road safety and keeping safe when we are out and about ready for our trip to the shops next Thursday to buy some healthy foods. Wishing you a lovely weekend, Mrs Shannon and the Class 2 team xx
