

This week we have been thinking about the Hindu festival of Holi. The children have listened to stories about what Hindu's do as part of their celebrations. Activities have included going on a treasure hunt to find pictures associated with Holi, making large colourful pictures together and making sweets.

The children had a fantastic time at swimming this week. Everyone got in the pool and I got very wet even though I was stood on the side - there was a lot of splashing!!

On Thursday children chose to play with with a tunnel and parachute as part of Play and Leisure. They had a great time.

In cooking we made cheese sandwiches. The children listened and followed the instructions to butter their bread before grating their cheese. They really enjoyed the eating part at the end!

This week the children had the opportunity to spend some time on the bikes, roundabout and seesaw. As you can see from the pictures they had a great time.
