

Class 2 News

Story time

This week Class 2 have been planning a pizza party as part of our healthy habits topic. We have designed our own pizzas with lots of fruits and vegetables on top, labelled our pictures with words and symbols and then written a shopping list to help us remember what we need. In maths we have used our counting and addition skills to help us make sure we have enough of everything and how much it might cost! In our storytime book, Spot Goes Shopping we found out about what we needed to do when we go to the shops.

In the shop we did a great job of finding everything we needed and this afternoon we made our pizzas to take home to share. We hope you enjoy them!

Hope you have a lovely weekend, Mrs Shannon and the Class 2 team xx
