

This week we continued to think about Easter and children are beginning to remember parts of the Easter story.

We have done lots of Easter activities this week both as a class and as a department. Children have enjoyed a joint PE session with the parachute as well as an outdoor session where we sprayed water and painted large eggs. In our individual outdoor session, at the start of the week, children decorated pictures of themselves as Easter bunnies. They absolutely loved using the spray bottles to paint although some of us ended up looking a little blue by the end!

We had our last swimming session on Wednesday. The children have been awesome whilst off site swimming and the confidence of some children in the water greatly increased over their sessions!

Children had a special visitor during assembly on Friday - The Easter Bunny. They delivered all the children an Easter egg that they have brought home.

I hope you have a wonderful Easter break and we will see the children back on Tuesday 14th April.
