

I hope that you all had a lovely holiday. We have had a lovely week in school. In Literacy we started to read the book 'Tractor', by Sally Sutton. The children particularly liked it when I sprayed them with water to represent the seeds being sprayed! We also went out on a seed hunt. The children enjoyed blowing the 'dandelion clocks'.

We had a fantastic time during My Well-being when we joined with Class 3 and Class 11 for a treasure hunt and parachute games.

In cooking we made chocolate chip muffins. We ate these for snack the following day. Children bought them from our class snack shop for one pound.
