Class 1 News

This week the children have enjoyed lots of opportunities to take their learning outside where they have continued to develop their numeracy, literacy and communication skills through play.

In PSHE this week we have been focussing on friendship. All of the children enjoyed listening to our friendship song and playing parachute games with their friends. Next week we will be talking about our families. **Please could you email or upload a family picture to Tapestry to support the children to talk about their own family.** Thank you!

Have a wonderful weekend!
