

Newsletter – Class 4 – 24th April 2026

We have had a wonderful week this week, full of fun activities. We started the week with our mystery bucket activity, the children really enjoyed our activity spraying paint on the paper to make art. These sessions have really helped to improve turn taking and joining the circle.

In maths we have been learning about money, the children have learnt to recognise the different coins and notes and have begun to add them together.

In literacy we have been reading the story 'The Wizard of Oz' we have been describing characters and settings and using colourful semantics to improve our sentence structure.

We started a new topic this week and began it by planting cress to observe it grow in class.

In outdoor learning we worked in teams to build Hedgehog homes which the children loved.

Have a lovely weekend.

Mr Turner
