## Literacy

This week we have continued reading our new story "Beauty and the beast".

The children have created beautiful rose artwork, labelled parts of a rose, described roses using adjectives and completed a rose calligram poem.

## Numeracy

This week the children have been working on Place Value and Addition and Subtraction.

Some children have been:

- Finding 6, 7 and 8
- Writing number sentences
- Finding fact families
- Finding number bonds within 10

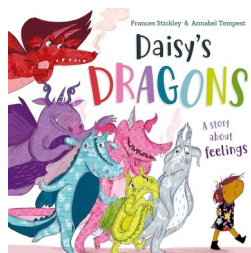

## Topic

This week we have continued our topic "Green Fingers". The children have been learning about living things and knowing the difference between things that have never been alive. They have been learning the life cycle of sunflowers, creating sunflower paintings and listening to facts about the structure of plants. They also were able to design their own plant and label the parts of their plant.

## Storytime

This week we have been reading "Daisy's Dragons" by Frances Stickley and Annabel Tempest.

The children have really enjoyed our new playground equipment!

Have a wonderful weekend!
