## Literacy

This week we have continued reading "Beauty and the beast". The children have been labelling and describing Belle's cottage using nouns and adjectives.

The children have been listening carefully to the story and that Belle is feeling bored in the village and wants to explore the world like she reads in her books. Therefore, the children used their imagination and decided on where to take Belle for an adventure. They have been very focused when forming letters and writing sentences.

## Numeracy

This week the children have been working on Place Value and Addition and Subtraction.

Some children have been:

- Finding 6, 7 and 8
- Writing number sentences
- Finding fact families
- Finding number bonds within 10

## Topic

This week we have continued our topic "Green Fingers". The children have been learning about pollination. They have also designed and created their own garden to attract insects.

The children have also been listening to information about climate and how the various weather and environments affects which plants grow.

## Storytime

This week we have been reading "Finn's Little Fibs" by Tom Percival.
