

Class 2 News

This week we have been busy learning about the numbers 12 and 13 in our maths work and done some super counting and number formation. Understanding teen numbers is a big job so we will keep revisiting these over the rest of the term. In literacy we have been working on sentence making using colourful semantics to make Who? Doing? What? Sentences linked to our topic story "We're Going to Find a Monster". In our computing session the children have been learning about some of the things we can use computers and devices for and they used the big screen really well to sort and organise their ideas.

Thank you to everyone who has sent in a named hat and suncream. We have begun teaching the children about when to put them on and we will continue to do this when the sun is out! If you haven't sent it in yet please pop them in the book bags ready for Tuesday. Wishing a lovely bank holiday weekend, Mrs Shannon and the Class 2 team xx
