Class 2 News

Story Time

This week Class 2 have been enjoying the story of the Runaway Chapati at story time. This is a version of the Gingerbread Man and everybody has been brilliant at joining in with the "Run, run as fast as you can!" part. It is lovely to see everybody really enjoying a good story and is a great shared experience with lots of actions, props and sensory elements.

In maths we have been investigating heavy and light and experimented with different kinds of objects and in literacy have been finding out more about some of the different animals and where they live in the story of The Gruffalo. At outdoor school the children wanted a teddy bear picnic so they helped plan and organise it and when we found the bears by following their trails they had left us a tasty treat.

In PE time we have been trying some new games like egg and spoon and sack racing which were lots of fun and we hope they might be part of sports day next half term. If you haven't returned letters about the family picnic and sports day yet please do let us know if you would like to come as soon as possible.

Well done everybody, wishing you a lovely half term break, Mrs Shannon and the Class 2 team xx
