Class 2 News

We've been busy this week in Class 2 learning all about animals and their habitats as part of our topic work. This week we have made fabulous nests for birds in outdoor school, finding the softest materials to keep the baby birds safe and enjoyed making some edible mice for owl babies.

In maths we have been making larger groups, carefully counting in different ways and exploring the Numberblocks to 20. Our literacy focus this week has been on letters and their names and the sounds they make and we have been practicing this using puzzles, songs and games throughout the week.

Well done everybody, have a great weekend, Mrs Shannon and the Class 2 team xx
