

Class 2 News

Story Time

We've enjoyed experiencing all sorts of weather in Class 2 this week with lots of learning experiences inside and outside. In literacy we have been using our blending skills to read words from the story *Suddenly*, about a little pig and a big bad wolf! In maths we are focusing on really understanding numbers to 20 and have looked at how to build them using Numicon pieces, using the phrases like 'Eleven is made of ten and one' In our PSHRE work this half term we will be learning about growing and changing and have looked at the life cycle of a strawberry plant as we have been growing some in our gardening area. We were very excited to see tiny strawberries in the flowers and can't wait for them to be ready to eat!

Well done everybody, have a great weekend, Mrs Shannon and the Class 2 team xx
