Literacy

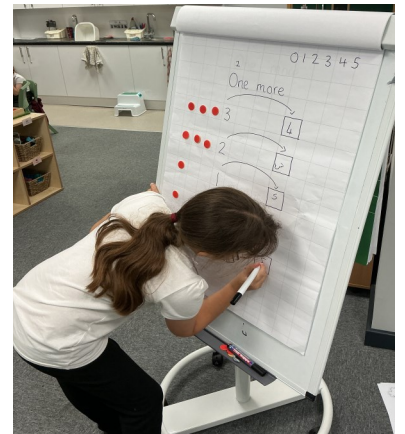

In literacy we have continued reading the story "Alice in Wonderland." We were excited to find out that behind the 15-inch door was a beautiful magic garden. The children labelled some features of the garden and had lots of fun designing and making their own Wonderland garden.

Numeracy

This week the children have been working on place value. Some children have been:

- Finding one more (within 5)
- Finding doubles
- Building numbers beyond 10 (10-13)
- Understanding 14, 15 and 16
- Understanding 17, 18 and 19
- Understanding 20
- Finding 1 more and one less

Storytime

This week we have been reading "Tad" by Benji Davies.
