

25.09.26

Literacy

In literacy we have continued reading the story "Alice in Wonderland." We had lots of fun creating our own 'drink me' potion using a range of resources such as water, glitter, food colouring etc.

We have also been recalling and labelling the food items Alice said the 'drink me' potion tasted of and have been writing instructions to make Alice's 'eat me' cakes.

Numeracy

This week the children have been working on place value. Some children have been:

- Finding one more (within 5)
- Building numbers beyond 10 (10-13)
- Building numbers beyond 10 (14-20)
- Understanding 17, 18 and 19
- Understanding 20
- Using a number line

Storytime

This week we have been reading "Woolly bear caterpillar" by Julia Donaldson.
