Millbrook Hub Newsletter

Literacy

In literacy this week, we have continued reading "Alice in wonderland." We have been labelling what animals got wet in Alice's pool of tears and we also had lots of fun designing our own caucus race.

Numeracy

This week the children have been working on place value. Some children have been:

- Finding one more (within 5)
- Finding one less (within 5)
- One more and one less within 20
- Understanding 20
- Adding more within 10
- Estimating to 20 on a number line
- Comparing numbers to 20

Recycling week

During recycling week at Millbrook hub, the children have been learning about how we can protect our oceans and sea animals by reducing plastic waste and keeping plastic out of the sea. We have been sorting our rubbish into different recycling groups and learning why recycling is so important. We have also enjoyed litter picking and talking about our wonderful planet Earth and the different things we can do to look after it, protect it and keep it happy and healthy.

Story Time

This week we have been reading: "Somebody swallowed Stanley" by Sarah Roberts.
