Starlings

Literacy

In literacy we have continued reading our story Alice in Wonderland and have been labelling the animals that took part in the Caucus Race with Alice. We also had lots of fun competing in different races.

Numeracy

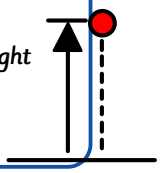

In numeracy some of us have been working on 'Addition and Subtraction' and have been:

- Recording addition number sentences

- Solving addition and subtraction fact family sums within 20

Some of us have been working on 'Talk about Measure and Pattern' and have been:

- Sorting two sets of items into groups by height

Zones of Regulation

This week we have continued learning about the red zone and have been recalling what emotions we may feel when in the red zone. We have also listened to the story Feeling all my Anger and have had lots of fun splatting red paint to create our own red zone colour monster.

Topic

In topic this week we have continued exploring our sense of smell and have been sorting a range of items by the criteria 'good smell' or 'bad smell'. We have also been exploring our sense of touch and have been handling a range of hard, soft, smooth and bumpy items to create our own texture collages.

Story Time

This week we have been reading 'Oi Cat!' by Kes Gray.
