Woodpecker class

16.10.2026

Topic

This week in topic the children have been continuing our Active Planet topic. This week the children continued our learning around early warning systems for natural disasters. The children then designed their very own survival kit. They selected items for there survival kits and gave reasons and justifications for their choices. Next week the children will be designing and making a volcanologists robot and learning about the different rock types.

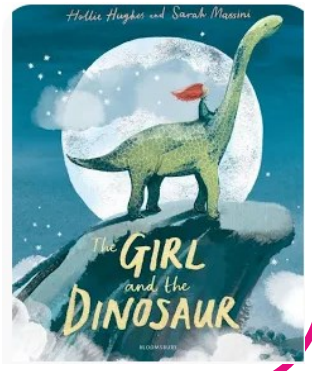

Numeracy

This week in Numeracy the children have completed their focus on Place Value. The children have discussed what they already know about addition and subtraction and have been learning about parts numbers and whole numbers. This will continue next week.

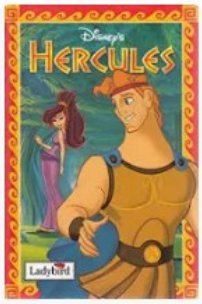

Literacy

This week in Literacy the children have continued reading the Girl and the Dinosaur. The children have been learning to write perfect sentences to describe. They have also planned their short narratives and used the Symwriter program to write their short narratives. Next week we will be focusing on the language use in the story and expressing our understanding.

Story Time

This week in story time the children have been listening to the Disney's Hercules story.

P.E is on Thursdays and swimming is on Wednesday.

Have a great weekend
