Butterflies' Newsletter

23.10.26

Butterflies have had another fantastic week. We have enjoyed lots of fun activities linked to Black History week and loved listening to the story, Handa's Surprise. Butterflies followed instructions to make fruit skewers, played with the story props, enjoyed dancing to African music and playing the instruments. In Maths the children have been matching objects to an outline. We had fun jumping in the puddles after it had rained. Well done Butterflies for having such a wonderful start to Haughton School . Have a lovely half-term holiday, Mrs Jeffries and Butterflies' Class Team.
